

ROOM SHIELD™

DESTROYS CORONAVIRUSES

Kills 99.9% of Viruses & Bacteria On All Surfaces

ROOM SHIELD™
Keeping You Safe

ROOM SHIELD™ Not just another spray - This is a highly effective single release room treatment.

- Simple single click operation, one click enables you to activate a specialist valve and nozzle which disperse the contents in the form of a mist, essentially fogging the room.
- **ROOM SHIELD™** This product is complete with a child safe locking cap for additional peace of mind
- **ROOM SHIELD™** contains considerably more than 61% Ethanol, the minimum recommendation by the British Government to kill Coronavirus within minutes.
- **ROOM SHIELD™** eliminates Coronaviruses and sanitises all upholstery and work surfaces - including door handles & light switches.
- **ROOM SHIELD™** saves time and cost on your sanitising and decontamination procedures.
- **ROOM SHIELD™** Instantly reduces the potential for widespread contamination across rooms and regularly used environments.

Kills 99.9% of Bacteria & Viruses

ROOM SHIELD™ IS EFFECTIVE AGAINST BACTERIA, VIRUSES & MOULD SPORES

HOW DOES ROOM SHIELD™ WORK?

ROOM SHIELD™ is a highly effective, powerful broad-spectrum germicide. The product is a highly effective all-surface sanitiser.

ROOM SHIELD™ allows you to rapidly and effectively sanitise an entire average size room or space of 40/50 cubic metres with just the push of a button.

A propellant inside the can sends out a fine citrus fragranced mist of powerful, disinfecting active ingredients that disperse throughout the area.

The **ROOM SHIELD™** fine mist gets to work on contact with every surface, eliminating a wide range of germs, including bacteria, yeasts and fungi that can be the cause of bad odours.

ROOM SHIELD™ Is highly effective in killing all Coronaviruses and other harmful micro-organisms.

MANUFACTURED IN THE UK

Tested To

BS EN 1276 - BS EN 14476 - BS EN 16777
BS EN 1650 - BS EN 13697

DIRECTIONS FOR USE

PREPARE...

Close all doors and windows.

Switch off electrical appliances.

Extinguish any naked flames.

Cool any heated surfaces.

Remove all people and pets from the room.

PRESS...

Place can in upright position in the middle of the room.

Depress the button on the top of the can until it clicks into a locked down position.

EXIT...

Leave the room immediately close door behind you. Can will now fully empty and fog the area.

Leave for 45 minutes to allow the product to fully disperse.

On re-entry open all doors and windows allowing for the room to clear.
