KEEPING SURFACES CLEAN AND SAFE

SURFACE SHIELD™
Keeping You Safe

Kills 99.9% of Bacteria & Viruses on Hard & Soft Surfaces

Alcohol Free

SURFACE DISINFECTANT SPRAY

Protects surfaces and leaves rooms smelling fresh

Surface Shield™ is a water based surface sanitiser that uses specialised Quat Salt Technology to act as a disinfectant with less hazards than traditional alcohol-based sanitisers.

The mist spray covers large areas quickly and the water based nature reduces the chances of incompatibility between the sanitiser and the surface compared to alcohol based products.

Surface Shield™ is suitable for all hard surfaces around the home including bins, door handles, toilet areas and is Food Safe making it ideal for use in areas of food preparation.

Surface Shield™ can also be used on soft surfaces: sofas, mattresses, pillows, pet bedding and many more.

EASY TO USE - NO WIPING REQUIRED

FEATURES

- Kills 99.9% of bacteria & viruses
- Alcohol Free
- Ideal for use in areas of food preparation
- Convenient & easy to use
- No wiping required
- Fragranced to leave rooms smelling fresh

DIRECTIONS FOR USE

SHAKE CAN WELL BEFORE USE

Use In A Well Ventilated Area

Surface Shield™ is suitable for a wide variety of surfaces but it is always advisable to test a small area prior to large scale application.

1. Hold can 20-30cm away: perpendicular to the surface to be sprayed.
2. Apply an even coating of sanitiser across the surface.
3. Wipe the surface down to remove excess material. The product can be left to sit on the surface and will evaporate naturally in around 30 minutes (based on ambient temperatures and porosity of surface).
4. This product contains a percentage of water so should be used with caution on electrical items.

STORAGE AND SHELF LIFE

Protect from extremes of temperature in a controlled environment between 5˚ and 25˚C, and away from direct sunlight.

Do not stand on a cold concrete floor.

Stored under the correct conditions, in original, unopened containers, the product will have a shelf life of 12 months.

DO NOT ALLOW THE PRODUCT TO FREEZE

DANGER: Extremely flammable aerosol. Pressurised container. May burst if heated. Keep out of reach of children. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Avoid breathing spray. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. **IF IN EYES:** Rinse cautiously with waterfor several minutes. Remove contact lenses if present and easy to do. Continue rinsing. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Dispose of contents/container in accordance with national regulations.

Danger

400ml 520 e3

Contains: DME. Alcohol C13-iso ethoxylated, Didecldimethylammonium Chloride, Alanine, N, N-bis(carboxymethyl-), trisodiumsalt, Diethyl Phthalate.
